Ms. Porter

In regards to your request concerning this departments reports on "Use of Force" documenting the use of weapons including Tasers, stun guns or bean bag shotguns from January 1, 2000 to the present, this agency has no reports or incidents involving this type of weapon during this time period. This agency also does not utilize any of the above mentioned types of "Force" weapons, therefore we do not have a written policy on their use.

Sincerely,

CD Fitzgearld, Sheriff
