Re: Public Information Request

Dear Ms. Nwaogu:

The Ellis County Sheriff's Department has received your written request for information concerning use of weapon reports. Please clarify what you are considering a "weapon." At this time, reports are manually kept and I have the majority of the reports but need clarification on your definition of a "weapon." Ellis County has nothing relating to your request #3. Additionally, Ellis County does not utilize tasers or stun guns.

Documents have been gathered relating to your requests #4 and #5. The costs for copying these records are One Dollar and Thirteen Cents (\$1.30) (13 page at 10 cents per 8.5" x 11" page). We cannot accept a personal check as payment; therefore, payment must be received in the form of a money order, cashier's check or cash if the requestor personally appears to make cash payment and receive their copy of the records at the Ellis County and District Attorney's Office located at 1201 North Highway 77, Suite 104, Waxahachie, Texas. To receive this through the mail, please add .39¢ for postage. Therefore, the total cost for the copy by mail would be \$1.69.

Please clarify for me as soon as possible what is included with "weapon" so that I may advise you how many copies are available and the costs of same.

Sincerely,

M Ann Montgomery
