Attn: Clarisa Ramirez

Dear Ms. Ramirez:

I took office January 1, 2001. I have not had any custodial deaths nor any report of training injuries involving weapons. This department does not have any taser, stun guns, or bean bag shot guns. Therefore we have no incident or offense reports of any use of these weapons.

To my knowledge, the sheriff in office before me had none of these weapons or offense or incident reports.

If you have any questions you may contact me at this office.

Sincerely,

John L. Wells, Sheriff
