Re: Public Information Request received November 28, 2005

Dear Ms Benavidez:

As city attorneys for the City of Allen, we are writing to you regarding your above-referenced request. We are in the process of reviewing the request and have a request to you for clarification. Specifically, your request no. 2 seeks copies of

“any documents, incident report documenting the circumstances under which your officers came into contact with any person on whom a weapon was used since January 1, 2000.”

We are requesting clarification of that portion of your request to determine whether you want all offense reports in which any one used a weapon on another person including civilians and police officers or only situations in which the police department was required to use their weapons. Furthermore, we are requesting a more definite statement and clarification of what you consider to be a weapon.

Thank you for your attention to this matter, please feel free to contact if you have any questions.

Sincerely,

NICHOLS, JACKSON, DILLARD,
HAGER & SMITH, L.L.P.
